

Our flights are conducted in a single engine aircraft (Cessna 210). The total passenger number is limited to a maximum of 4 pax to ensure a unique and comfortable flying experience with enough space for everyone on board.

However, please note that we are weight and space limited; hence we have to request body weights of all passengers beforehand for safety measures and reduction of passenger numbers might be necessary.

Rates for scenic flights departing from Tsondab Valley airstrip only. Flight offers are subject to aircraft availability – please enquire beforehand. All rates are subject to change without prior notice.
